

Three Way Contract

This document shall be construed to be a three way contract between the Homeowner, Contractor and HERS Rater. The purpose of this page is to provide authorization from the Homeowner to allow the Contractor to be the Homeowner's agent with regard to the HERS Rater. The HERS Rater and Contractor shall have no monetary interest in each others business and shall abide by all the HERS regulations in Title 20 of the California Code.

I _____ (Homeowner) authorize the _____ (Contractor) to engage a HERS rater _____ (HERS rater) and for the Contractor pay the rater, on my behalf, any and all fees related to the verification as required by Title 24, Part 6 (*Energy Efficiency Standards for Residential and Nonresidential Buildings*), specifically allowed only for Section 152(b)1.D. and E.
